Materials Safety Datasheet

## 1: Product and Company Identification

Catalogue No.:	A010-32
Product name:	<b>Ryanodine receptor 2 (RYR2) (pSer2030) pAb</b>
Company name:	Badrilla Ltd
Emergency contact:	Badrilla Ltd +44 7801 730 618
Information:	Badrilla Ltd www.badrilla.com
Chemical Family:	Monoclonal and polyclonal antibody
0,	

# **3: Hazard Identification**

Emergency overview: Route(s) of entry: Potential Health Effects (Acute and Chronic)	no data available Inhalation: Yes skin: Yes Eyes: Yes Ingestion: Yes other: Injection Material may be irritating to the mucous membranes and upper respiratory tract. May be harmful by inhalation, ingestion, or skin absorption. May cause eye, skin or respiratory tract irritation. The toxicological properties of this compound have pot
	respiritory tract irritation. The toxicological properties of this compound have not been fully evaluated.
Signs and symptoms of Exposure:	No data available.

sympto ιþι

### 4: Emergency and First Aid Procedures

If inhaled, remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel. Get immediate medical attention. If swallowed, wash out mouth with water provided person is conscious. Never give anything by mouth to an unconscious person. Get medical attention. Do not induce vomiting unless directed to do so by medical personnel. In case of contact with eyes, hold eyelids apart and flush with plenty of water. After initial flushings, remove any contact lenses and continue flushing for at least 20 minutes. Have eyes examined and tested by medical personnel. In case of skin contact, immediately wash skin with soap and plenty of water. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.

#### 5: Fire fighting measures

Flash point: Explosive Limits: Fire Fighting Instructions: Flammable Properties and Hazards: Extinguishing Media: Unsuitable Media:	no data LEL: No data UEL: No data As in any fire, wear self-contained breathing apparatus pressure demand (MSHA/NIOSH approved or equivalent), and full protective gear to prevent contact with skin and eyes. no data available Use alcohol-resistant foam, carbon dioxide, water, or dry chemical spray when fighting fires involving this material. no data available.				
6: Accidental release measures					
If materials are released or spilled:	Wear a NIOSH/MSHA approved self-contained breathing apparatus and appropriate personal protection equipment (rubber boots, safety goggles, heavy rubber gloves). Vacuum or sweep up material and place in disposal container. Avoid raising dust. After removal, ventilate contaminated area and flush thoroughly with water.				
7: Handling and storage					
Hazard Label Information: Precautions to be taken in handling: Precautions to be taken in Storing:	Avoid contact with skin and eyes. Do not reuse container. Use with adequate ventilation. Avoid breathing in dust, vapour, mist, gas. Avoid contact with eyes, skin, and clothing. Avoid prolonged or repeated exposure. Do not reuse the container. Use with adequate ventilation. Wash thoroughly after handling.				
Ũ	Store at the correct temperature.				
8: Exposure Control / Personal Protection					
Protective equipment summary – Hazard Label Information Respiratory Equipment (Specific type): Eye Protection: Protective gloves: Other Protective Clothing: Engineering Controls (Ventillation etc) Work/Hygenic/Maintenance Practices:	Eye wash station in work area. Lab coat. Latex disposable gloves. Safety glasses. Safety shower in work area. Vent hood. No data available. Safety glasses. Latex disposable gloves. Laboratory coat. Use process enclosures, local exhaust ventilation, or other engineering controls to control airborne levels below recommended exposure limits. DO NOT take internally. Facilities storing or utilizing this material should be equipped with				

## 9: Physical and Chemical Properties

10: Stability and reactivity   Stability: [] Unstable [X] Stable   No data available. No data available. No data available.   Material incompatibility: No data available. No data available.   Material incompatibility: No data available. No data available.   Material incompatibility: No data available.
